Federal Congressionals – does that mean Senators Murkowski and Begich and Representative Young specifically? Would it be possible to also give a heads up to State Representative Tammie Wilson and Senator John Coghill? They have been actively involved with the project and would be very interested, particularly if you're telling the federal folks.

Thanks,  
Ann

Ann, Steve

Just wanted to give you a quick update on our Flint Hills PA Report Release.

We are working on giving the Federal Congressionals a heads up that we will be releasing this report. Once we have connected with them and addressed any concerns they may have we will move forward with its release. My guess is next week sometime.

I also have an updated FAQ sheet for you to use. I decided to take out the question concerning the PA's effect on property values. As we do not want to make a strong statement on whether it will or not. I know there is a fact sheet that addresses Superfund and property values specifically. I'm trying to track it down.
